

Board of Selectmen Meeting
Minutes
September 22, 2014

Selectmen present: Thomas White, Gordon Richardson, Mary O'Brien, Martha McGlinn, Richard Waddell
Town Manager: Bob Stacey
Public present: Katy Savage (Vermont Standard), Sherry Clarke, Gary Trachier, Roger Trachier, Clydene Trachier, Ed Servant, Matt Peeler, Amy Raymond, Joyce Sullivan, Scott Ferland

Signed orders.
Approved 9/2/14 minutes.

Old Business:

1. Policing discussion: Gordon gave a brief background of the discussion concerning the idea of Hartland joining Windsor for our police protection. The State Police do provide information monthly about their activity in Hartland. The proximity of a Windsor officer would be an advantage, providing a shorter response time. The community would get to know the police in a way that is not possible now. More public input is needed. A discussion will be held at Town Meeting.

New Business:

1. North Hartland School building: The building needs repair and is currently vacant. The town spends about \$5300 per year for upkeep. Roger Trachier feels that it would be short sighted for the town to sell any property. He suggested advertising the availability of the building on the listserv. Rent from a tenant would offset expenses.
2. Campbell Merritt Fund request has been tabled for now until some Board members can arrange for a site visit.
3. A representative from Able Waste Management was not present.
4. Property adjacent to the Rec Center: Everyone agreed that it would be good to be informed if the owner decides to sell.

Next meeting: October 6, 2014
Meeting adjourned at 8:10 pm.

Martha McGlinn, Clerk
