

Hartland Conservation Commission
Agenda for 9/10/14 meeting

Commission administration biz

Review and approval of May minutes

Open Meeting law – new requirements for notification to public of our meetings

One Commission membership slot is open and send a round of thanks to Bill Stack for his term!!

Roundup of news from July and August

Report on our table at Old Home Day (July 4)

Eagle Scout Tim Alibozek's work day clearing and re-routing Travis' Trail (as well as some invasives control) (Aug 16)

Water Quality test results

Lull's Brook Willow state pounding with Trout Unlimited at Candace Jones property on Lull's Brook (June 13)

Continuing business

Speaking to UVLT about putting conservation easements on Hartland's public lands – choose a meeting date for inviting Sara Cavin

Fall water quality monitoring plans and water temperature monitoring plans

Pick a date with Hartland Community Connections to do a breakfast that focuses on the new Sumners' Falls Park and generates ideas from the community (breakfasts are the first Saturdays of the month)

New business

Picking a date, with UVLT, to do a Hartland Community Connections breakfast about land conservation options

Speaking to Bob Stacey/SB about asking the town to dispose of bags of invasive plants when a Hartland resident has been generous enough to be cutting and bagging invasives along town ROWs

Review our 2014 goals update
