

Hartland Conservation Commission
Minutes for 9/10/14 meeting

Attending: Jennifer Waite, Rob Anderegg, Guy Crosby, Knox Johnson, Dean Greenberg, Knox Johnson, Cordie Merritt, Jared Ulmer

Commission administration

Reviewed and approved May minutes

Open Meeting law – the new requirements for public notification of our meetings were discussed

One Commission membership slot is open and sent a round of thanks to Bill Stack for his term!!

Roundup of news from July and August

Report on our table at Old Home Day (July 4) – well attended and generated questions and comments
Eagle Scout Tim Alibozek's work day clearing and re-routing Travis' Trail (as well as some invasives control) has been completed

Water Quality test results for May were reviewed

Lull's Brook Willow stake pounding with Trout Unlimited on Lull's Brook was reviewed and further remediation will be conducted

Continuing business

Speaking to UVLT about putting conservation easements on Hartland's public lands – choose a meeting date for inviting Sara Cavin

Fall water quality monitoring plans will be done next week and water temperature monitoring will continue

Will speak to Hartland Community Connections about a breakfast that focuses on the new Sumners' Falls Park and generates ideas from the community

New business

Will speak to Bob Stacey/SB about asking the town to dispose of bags of invasive plants when a Hartland resident has been generous enough to be cutting and bagging invasives along town ROWs

Reviewed our 2014 goals

Other business

Support for LeMax Farm is not in our purview

A town plan for emerald ash borer should be considered

Connecticut River cleanup (Source to Sea) is on 26-27-Sept
