

**Hartland Conservation Commission  
Agenda for Feb 11, 2015  
7 pm, Listers' office, Damon Hall**

**Commissioners and guests present  
Approval of January minutes**

**Discussion of potential uses and projects for the "17-Acre Wood" owned by the Town of Hartland behind the Hartland Elementary School. Guest for this discussion will be HES Principal Jeff Moreno. The 17-Acre Wood has a trail loop on it and some natural resource surveys. The Commission would like to expand use of the property for school field trips, research projects and recreation use.**

**Other needs for the property are: marking the boundaries, improving the stone steps down in to the property, marking the existing trail and expanding the trail loop.**

**Other topics:**

**-Feb 26 Gathering of the Upper Valley Conservation Commissions  
-annual Hartland Conservation Commission award at Town Meeting  
-ancient roads follow-up  
-status of HCC updates on town website  
-winter pics of Sumners Falls  
-prep for Sumners' Falls Park presentation at Hartland Community  
Connections breakfast April 4**

**-easements on public lands discussions**
