Old Business:

1. Art on I-91 Interchange: Herb Ferris attended to present his idea for an outdoor sculpture close to the intersection of Route 5 and I-91. The piece he has in mind is made from Eastern pine with a granite base. The Board discussed the idea of whether or not it is desirable to have sculpture there. Bob will ask Herb to mark the dimensions of the sculpture to help us visualize the site.

New Business:

1. Fire pit on Foster Meadows: proposed by the Cub Scouts who were here to present their ideas for a fire pit to be used by the Scouts and by the public. The Scouts emphasized their ideas concerning safety. Discussion followed about whether the proposed location behind the library is too isolated. The Board approved the concept – location and design to be determined after further discussion with the Cub Scouts.
2. Reviewed current financial report.
