Signed Orders.

Approved minutes from meeting on September 18, 2017.

Old Business

1. Tanker Truck Loan: the Board unanimously approved and signed loan agreement with Mascoma Bank for purchase of new tanker truck.
2. Feedback from 3-Corners Intersection, VT Agency of Transportation Meeting: Gordon and Dave met with Theresa Gilman from AOT and Dan Peck from VHB on Friday, September 29, 2017. Some revisions still need to be made but essentially everything is ready to go. One change suggested is to narrow the exit from the plaza to one lane. Also eliminating one parking space on the corner would improve visibility for cars turning out of the plaza. Dan will submit final plans to AOT in October for their approval probably in December. We would put the project out to bid in January.
3. Mike Sauer will repair the roof of the barn on the library field.

New Business

1. Library Board/Gift Tree Proposal: Nancy and Laura were here representing the Hartland Public Library. The Library Board and the Garden Club would like to plant a tree in front of the Library in recognition of Theresa Gregory's nineteen years of service at the Library. This was approved unanimously by the Select Board.
2. Gordon reported that Hartland was recognized as "Town of the Year" by Windsor County Partners for town support of their program over the years.

Meeting adjourned at 7:00 p.m.

Next regular meeting, October 16, 2017.

Respectfully submitted,
Martha McGlinn, Clerk
